Steven W. Anderson

How can school leaders use technology to be more effective? In this book, award-winning blogger and educational technology expert Steven W. Anderson explains how and why leaders should use technology and outlines what should be in every leader's digital toolkit. This resource will help leaders:

- maximize social media to stay connected with teachers, students, and the community
- use online tools to manage documents and increase collaboration
- identify online tools to stay organized
- develop online professional learning networks.

Digital tools can play an important role not only in streamlining how school leaders do their jobs, but also in helping them get better results--no matter what the initiative.
