Daughter of the Sun: A Devotional Anthology in Honor of Sekhmet Bibliotheca Alexandrina

Warrior. Healer. Hunter. Guardian. Mother. Daughter. Eye of the Sun and Arbiter of Justice. Mistress of Dread and Lady of the Slaughter. The Red Lioness. The Drunken One. Sekhmet is a complex Goddess, an ancient and ferocious Deity impossible to fit into a single, simple category. That is, after all, the way and nature of Gods: they are beings of awe and power and grace and wrath. All of these qualities are apparent in the poems, hymns, essays, rites, myths, and artwork which follow. Her modern-day devotees, scattered across the globe, find in Her a fiercely protective mother, a sly and cunning teacher, a joyful and creative muse, a wise initiator into ancient mysteries, and a righteous avenger of injustice. She is all of these things, and so much more. She is Sekhmet, most worthy of our love and devotion.
