Deep Skye Warren

"Possessive. Protective. Territorial. Philip Murphy is exactly what I want in an alpha-male!" - Lynda Chance, New York Times bestselling author

A thrilling new standalone novel from New York Times bestselling author Skye Warren...

Dark. Powerful. Dangerous.

Philip Murphy has all of Chicago under his thumb. Except me.

We met in a perfect storm of violence and lust. He saved me and then disappeared from my life. Now I pretend I never knew that kind of darkness. I focus on midterms and campus parties, as if they can wipe the slate clean.

Then he turns up outside my dorm room--wounded and barely conscious. He's the head of a criminal empire, a powerful man, but he needs me now. There are traitors in his midst.

I can help him, but I can't fall for him.

Not again.

Author's Note: DEEP is a dark contemporary romance novel that can be read as a standalone! It's set in the Chicago Underground world, and you are invited to read those books once you read Philip's story.

Praise for DEEP:

"Intriguing, raw and captivating through the end, this book sizzles with intensity and achingly real characters. Do not miss this!" Lina's Reviews, A Book Blog

"Deep is an incredibly erotic, emotionally captivating story that left me craving for more. Skye Warren consistently delivers raw, powerful, and seductive writing that grabs ahold of the reader with full force and doesn't let go." - Sammy, Just Let Me Read

"Philip and Ella's chemistry is explosive and the loves scenes made my heart skip a beat. Some of the things he says to Ella made my heart palpitate. Philip is so full of passion and he pushes Ella past her limits, he breaks her down and puts her back together again." - Kimberly, The Book Sirens
