Hospitality can be a blessing to both the host and her guests, but for many women today, it simply doesn't happen. Feelings of inadequacy, unrealistic expectations, fear of failure, lack of time--all conspire to steal the joy that comes from opening one's home and sharing fellowship with others. In *The Reluctant Entertainer*, Sandy Coughlin relates to people in real ways about real meals that mortals cook, during which real conversations draw people together. Would-be hostesses will discover that true hospitality is not about being perfect, cooking a fancy meal, or spending a lot of money. Rather, it's about an open door and an open heart.
