The Cinema of Michael Winterbottom (Genre Film Auteurs) Deborah Allison

The Cinema of Michael Winterbottom, by Deborah Allison, examines eight films by the contemporary British director Michael Winterbottom. This study explores the ways his inflection of established genre traditions partake in a personal, idiosyncratic style of film-making. Across a career encompassing both mainstream and art house cinema, the potency and integrity of his authorship unites films as generically diverse as the road film *Butterfly Kiss*, western drama *The Claim*, science fiction movie *Code 46*, and docudrama *The Road to Guantanamo*.
