## **Unleashing Your Psychic Potential** John Edward

In the first half of this remarkable audio program, John Edward shows you how to understand the power of your own psychic abilities. He insists that everyone has psychic gifts, but most of the time they've been locked away in the recesses of the mind and need to be developed and recognized.

In the second half of the program, John points out that we protect ourselves in the physical world all the time (locking doors, wearing a seat belt, taking vitamins, etc.), but since there is more to us than our physical body, we need to protect ourselves from negative energy as well. Psychic self-defense allows us to maintain the energy in our own auric field, thereby preventing others from affecting or draining it.
