"Brewing up a Damn Good Story" (Youngest Brewery Owners in the World, the Oldest Brewery in the Midw Manjit and Ravinder Minhas

This book tells the story of the oldest continually operating brewery in the mid-west USA, founded in 1845. Located in the rolling hills of southern Wisconsin, and right in the middle of the city of Monroe. It also tells about its owners and the brands -both past and present, and most importantly, the story behind its incredible success. Whether you are interested in the history of the beer industry, or the art and science of brewing, or quite simply you like drinking quality beer - you should buy this "coffee table" or should we say "bar table" book. Along with the brewery's compelling story of survival, the pages are full of historic photos and beer memorabilia!
