El sueño del olivar (The Olive Grove: A Palestinian Story) (Spanish Edition) Deborah Rohan

Set amidst the political turmoil of the twentieth century, *The Olive Grove* is a deeply moving account of a Palestinian family's transition from wealth and comfort to statelessness and poverty. Deborah Rohan documents the Moghrabi family's fight for survival as they struggle against Ottoman and British occupation and the formation of the state of Israel. Spanish Description: Palestina, la Tierra Santa de los cristianos, la tierra bíblica de los judíos, lugar sagrado para musulmanes y caldo de cultivo para un conflicto que sigue latente tras más de medio siglo. La familia Moghrabi ha vivido en Palestina desde hace mucho tiempo. En fechas cercanas a la Primera Guerra mundial, el soldado otomano Kamel Moghrabi es encarcelado por los turcos. Pero se reúne con su familia después de ser liberado por fuerzas británicas, y se casa con su amiga de la infancia, Haniya. Poco les dura este inciso de felicidad ya que su tierra comienza a ser asolada con violencia por la población local árabe y los judíos que emigran de toda Europa. Se frustra toda posibilidad de una Palestina independiente, y la familia de Kamel tiene que dejar el hogar de sus queridos olivares. Tras un exilio de cincuenta años, Hamzi Moghrabi regresa con su hija a la tierra de sus antepasados. La Palestina que él conoció siendo un niño ya no existe. Hamzi rememora la historia de su familia que no es otra que la de su propio pueblo, un pueblo que a pesar de todo sigue manteniendo la esperanza. Basada en hechos reales, *El sueño del olivar* es una saga familiar que nos brinda una detallada descripción de la vida y cultura en Palestina, con una cálida y conmovedora historia de amor en lo más hondo de sus páginas.
