Those we love or mentor or even we ourselves may wrestle with the multifaceted issues associated with our culture's unprecedented sexual exposure. Many of us have experienced its destructive impact on our lives, marriages, homes, churches, campuses, and workplaces. We need fresh answers. And God has them.

*Naked and Unashamed* is an encouraging, edifying Bible study. It focuses on what's right with God's design for sex, why it works, and what happens when we choose to operate both within it and outside of it. This study addresses how departure from His plan affects our lives as well as our relationships— first with God and then with each other.

A Bible study for every woman, this twelve-week journey calls us to first examine our relationship with the Truth-Giver, Jesus Christ; to appreciate His divine design for sex; to understand His Word as the Number One weapon against deception; to recognize what masquerades as “sexual intimacy”; to discover His power in the midst of pain; to embrace the freedom of forgiving and being forgiven; to learn to lovingly help another in his or her sexual struggle; to find freedom in a sexually broken world; and to realize a new plan and a higher purpose for our lives in God.
