At last, a comprehensive look at the accurizing techniques that made the venerable Lee Enfield military rifle into a world famous target rifle. The accurizing methods, both old and almost forgotten, and the brand new concepts, are explored in detail. All the measurements(200 pg, images 365), and step by step instructions you'll ever need to accurize your own rifle, whether for strictly 'as issued' condition or highly modified, are all provided. This book is strong on the practical, and will suit those new to Lee Enfields and all but the most expert shooter.
