By (author) Svetlana Alpers

The Vexations of Art: Velazquez and Others (Paperback) - Common By (author) Svetlana Alpers
Velazquez is often considered an artist apart: great, but isolated in Spain. This book sets him in conjunction with certain conditions of painting in his time and after. This book also gives an account of Velazquez's "The Spinners", a ravishing painting which has been eclipsed by interest in the enigmas of Las Meninas.
