The Past Is Back Ellen Jones's hands are full after she begrudgingly brings her aging father to Seaport. Lawrence's memory is failing - though he can't seem to forget what he's been holding against Ellen for the past forty years. But when he's diagnosed with Alzheimer's, Ellen realizes she never released her resentment and it's too late for reconciliation. Then suddenly - literally overnight - her son, Owen, comes face-to-face with the consequences of his wilder days gone by. No one is prepared for the changes he, and the entire family, will have to make as a result. The past weighing heavily in the present, a clean start is out of the question for both Ellen and Owen. How can God heal their deepest wounds? Enter the least expected person of the bunch...
