Damsel In Danger (Danger Incorporated Book 1) Olivia Jaymes

Ex-DEA agent Jason Anderson is trying to rebuild his life after being held prisoner by a sadistic drug cartel. With a little help from his friends, Logan Wright and Jared Monroe, he's starting a new business and moving forward. He only thinks about the past during the long, dark nights. It's then that he feels most alone.

Brinley Snow has moved into her dream home. It's everything she's wanted and more although she's facing a mountain of renovation work. Luckily it came with the bonus of a sexier than sin neighbor.

One sultry summer night, Brinley gathers up her courage and asks Jason to join her for dinner. They're instantly attracted to one another but the evening quickly goes down hill when she ends up in the interrogation room of the local police. An unknown dead man had her address clutched in his hand. The authorities – and Jason – think she's the key to finding a cold-blooded murderer.

With a first date like that Brinley's not sure she'll survive a second. Then again she's never met anyone like Jason. He's not the typical boy-next-door. He's all man. And with a little luck, he could become all hers.

They just have to stay alive long enough to catch a killer.
