Paul Day Chronicles – Happily After Ever! (The complete days of 2006) Love, Life and Lots of Laughs! For Paul Day, there's never been any such thing as a normal year. But could 2006 be the exception to the rule? Could 2006, now at age thirty, be the beginning of all his plans going smoothly, and become his first real successful and happy year? Not if his usual brand of life chaos has anything to do with it! And following his break up with the tempestuous Ever-lyn, Paul wonders whether he will actually be able to live Happily After Ever! Follow Paul as, per usual, he turns every ordinary event into an extraordinary drama. From diamond ring purchases to internet dating, via stag dos and bungee jumps, punctuated with ill-fated encounters with the law and perpetual career struggles. As usual it's one riotous, laugh out loud, calamity quickly followed by another! And then there are the women. Soul mates, childhood sweethearts, sexual deviants, internet dates, girls from nightclubs, women from work....so many women! You'd think that one of them must be the one! But which one? Happily After Ever is a comedy epic that proves that bad luck, brutal fate, being at the wrong place at the wrong time, combined with exceptional stupidity, can be a dangerous cocktail! And through the normal, everyday, events that somehow turn into outlandish and comical episodes, along with quirky observations about pretty much anything and everything, you'll probably find that there's a bit of Paul Day in all of us! Happily After Ever includes the short stories Love Is Like Fireworks!, The Stag Do, Football Is Like Sex! and Fate... Bloody Fate! - and a whole lot more!
