Her Cowboy Hero (Harlequin American Romance/The Colorado Cades) Tanya Michaels
He's Just The Hired Help...

What kind of cockeyed Pollyanna is Colin Cade working for? Her porch is rotting, her "guest cabin" is cheerless and her land and livestock have only a geriatric cowboy to care for them. Yet Hannah Shaw is positive she can turn her ranch into a successful B and B—and that Colin's the man to make it happen.

But Colin can't stick around. He lives with the loss of his family by avoiding the memories, and the way he feels around Hannah and her young son is like a knife to the heart. Trouble is, he's better at ignoring his own pain than someone else's, and bright, cheerful Hannah has a heart as haunted as his own. She deserves to be happy—but could she really be with him?
