While there isn't necessarily an easy way to create a passive income, Serena discovered that anyone can create a 'passion income' making money from doing something they love. Serena has redefined the concept of retirement and wants to teach others how to 'retire' now on a low-maintenance passion income just like her. Serena has had many successes and failures, cherishing both on the path to wealth and freedom, but she has finally answered the question of 'Can I do anything I want to?' with the simple answer: YES.
