OCPD Bondage and Spiritual Warfare: A Startling Revelation of the Direct Connection Between OCPD and Demonic Influence Mack W. Ethridge

This unique, authoritative, yet easy-to-grasp, expanded brochure consists of excerpts from the author's book, *When OCPD Meets the Power of God!* It discusses in exacting detail one of the seven 'arenas' which often BLOCKS the emergence of psychological 'Insight' from occurring in the OCPD mind (the ESSENTIAL factor the OCPD person MUST acquire for him or her to become psychologically well) – the ONE arena that falls into the realm of the paranormal, or the malevolent supernatural. This compact treatise, then, makes plain what skilled and highly educated mental health practitioners and researchers would ridicule, are ignorant of, or fail to discern, due to a near universally-extent, academic, indoctrinated bias toward the incorporeal or transcendent. YOU, however, dear reader, need not be blinded to the Reality and Liberating Truth on this subject IF you truly are open-minded and subscribe to the doctrine of 'Free Inquiry' -- willing to go, intellectually, wherever the evidence may lead! And, most importantly, this brochure presents the specific ways and means for the OCPD person to find PERMANENT deliverance from their bondage, should such unseen forces be afflicting them, after all! Hello, dear friend, my name is Mack Ethridge, award-winning writer, health researcher, and educator. And I have vital, tremendously IMPORTANT, life-saving OCPD Knowledge to share with you. As you read the following, think deeply about what I have to say, then let your God-given intelligence lead you to ANSWERS that are real and true! To begin with, our best scientists, researchers, and psychologists, alike, are all at a loss to explain what is often the total absence of Insight in OCPD stricken people. How is it that these people, often highly intelligent and observant in many other respects, are so 'blind' to their own self-sabotaging ways? Why can they not 'see' what they are doing to themselves, and their fellows? How can it possibly be that what is so obvious to virtually everyone else, they are oblivious to? It simply does not make sense. This, at present, is a great mystery at which investigators and researchers are obliged to just throw up their hands, and turn away from – in stunned disbelief and perplexity. They have no answer, as the whole situation appears completely inexplicable! SOMETHING is clearly prohibiting OCPD people from realizing the Truth about their highly dysfunctional behavior. It is as if the OCPD person were viewing everyday life with extremely faulty lenses, obscuring and distorting what is directly in front of their faces. Or, put another way, it is as if a concealing, partitioning WALL of DARKNESS stands between them and Reality. The following are all proposed causes of, or contributing factors to, OCPD: Poor or inadequate socialization, brain dysfunction or abnormality, genetic predisposition, etc. And these can all be factors –to be sure. Yet, we are dealing with something, a mechanism or compelling influence, if you will, that renders a person's thinking distorted, negative and pessimistic, incomplete or partial, detrimental to their self at nearly all levels, and which mechanism is incapable of detection (by the unsuspecting person, at least). It is 'cloaked' under thoughts, feelings, and impressions, which are made to 'feel right' to the OCPD person, yet are absolutely wrong in the sense of their deleterious effect upon them, and those who are made to suffer along with them. How is this to be explained? What is shutting off the OCPD person's sight so effectively, so thoroughly? How are thoughts which are not wholly sane, made to APPEAR sane, and be accepted by the OCPD person as true? And how is it that when irrefutable evidence to the contrary is presented to the OCPD person that their entire approach to life is backward and self-defeating, they still cannot see the falsity of their unjustifiable mental positions and behavioral stance? This book tells you how. May God grant you conviction to believe this Truth!
