*Women's Wisconsin: From Native Matriarchies to the New Millennium*, a women's history anthology published on Women's Equality Day 2005, made history as the first single-source history of Wisconsin women. This unique tome features dozens of excerpts of articles as well as primary sources, such as women's letters, reminiscences, and oral histories, previously published over many decades in the *Wisconsin Magazine of History* and other Wisconsin Historical Society Press publications.
