This book was initiated by GOD and led by the anointing of the Holy Spirit. Where I reside has come at a great cost, but it was all necessary for my benefit. Pretend you are a young woman having to struggle and fight for everything in her life. A young woman who is always striving for better. A young woman who was taught how to sweep things under the rug. A young woman trying to find happiness in so much shame, guilt, pain. A young woman looking for love in all the wrong people. I believe that I have gone through many trials in this life in order to help someone else. The roads I have taken in my life have often turned black but the color purple has always found its way to shine through. This book will be a blessing to all who read it. I know that there are women out there who would greatly benefit from hearing my story and I pray that it will bless their very souls. My God has managed to turn my mess into a message. This is the in-depth true story of a Young Black Woman seen through the eyes of a Wounded Black Woman.
