Medical Marijuana Changing Times III Max Beau

Medical information book. This new-multi controversial information book is a one of a kind that tackles the subject of Medical Marijuana and it's uses. This book has more than 60 interviews and short stories of people that have different medical illnesses such as depression, cancer, arthritis, aids, stress, and many more illnesses that patients request medical marijuana as a part of their treatment. Some reviewers have stated they have gotten more pleasure in reading the interviews and short stories than analyzing the technical information and accuracy of the book it self. Never the less whether it be technical info or interviews and short stories this book is a one of a kind that provides knowledge and information of the past and the changing times we live in.
