## **Not Cinderella's Type** Jenni James

Indy Zimmerman has a new stalker who won't leave her alone, no matter what she says to him. Never mind the fact that he's one of the most popular guys at school—she's positive Bryant Bailey is only trying to appease his own conscience after pretty much destroying her life. But when Bryant doesn't back down and insists on having some sort of bizarre friendship with her, his magic works, and her walls slowly start to crumble. He's not her type. She's never been into guys like Bryant, but then again, she's never really known anyone quite as stubborn, or caring, or who can get her to confess stuff she wouldn't even tell her best friend.

“This is a Cinderella retelling unlike any you’ve ever read. Get ready to laugh and cry along with Indy as she discovers who she is and what she’s worth.” – Tristi Pinkston, author of *Take My Advice*
