This second book in the wildly wacky Snoop Troop series is just right for newly independent readers, with art on every page, interactive seek-and-find elements, and a chance to solve the mystery! Fourth-grade detectives Logan Lang and Gustavo Muchomacho have landed their next case: a sneaky ninja is stealing the town's potato supply! The gumshoes are pretty sure a weirdo kindergartener named Chapster (who has a serious fondness for gouda cheese and cats) is the thief, but they soon discover that this case goes far beyond one crazy kid. There's a whole army of Chapster *clones* waiting for them! Who is creating them, and why would the mastermind behind this nefarious plot want to take away tater tots and French fries from potato-loving children everywhere?

Over a dozen pages of bonus backmatter are loaded with extra puzzles and doodle activities!
