Snow-walker Catherine Fisher

From the frozen mists beyond the edge of the world comes Gudrun, the Snow-walker, to rule the Jarl's people through fear and sorcery.

But the enchantress has one weakness -- her son, Kari, banished as a child to Thrasirshall, the forbidding fortress in the desolate, snowbound north. The people of the Jarl have never set eyes on Kari, but in secret they wonder: Are the rumors true? Was he born a monster?

Now, two will discover the truth.

Because their fathers were loyal to the rightful ruler, Gudrun has exiled Jessa and Thorkil . . . to Thrasirshall. The cousins wonder if they can survive the impossible trek to the ruined castle. And if they do, what will they find at the end of their journey? A beast? Or the means to stop Gudrun?

In this spellbinding saga, a resourceful heroine and an unexpected hero must discover a way to free the Jarlshold from tyranny or lose it forever -- to the Snow-walker.

From reader reviews:

Adam Nelson:

In this 21st one hundred year, people become competitive in each way. By being competitive now, people have do something to make all of them survives, being in the middle of the actual crowded place and notice by surrounding. One thing that often many people have underestimated it for a while is reading. Sure, by reading a guide your ability to survive increase then having chance to endure than other is high. For you who want to start reading any book, we give you this specific Snow-walker book as starter and daily reading book. Why, because this book is more than just a book.

Patricia Dennis:

The book Snow-walker has a lot info on it. So when you check out this book you can get a lot of gain. The book was authored by the very famous author. The writer makes some research just before write this book. This kind of book very easy to read you can obtain the point easily after reading this book.

Richard Thompson:

This Snow-walker is brand new way for you who has fascination to look for some information given it relief your hunger associated with. Getting deeper you on it getting knowledge more you know or you who still having small amount of digest in reading this Snow-walker can be the light food for you personally because the information inside this book is easy to get by simply anyone. These books build itself in the form that is certainly reachable by anyone, that's why I mean in the e-book form. People who think that in e-book form make them feel tired even dizzy this reserve is the answer. So there is not any in reading a guide especially this one. You can find actually looking for. It should be here for you actually. So , don't miss this! Just read this e-book style for your better life along with knowledge.

Loretta Jones:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Snow-walker can make you experience more interested to read.
