The Theology of the Letters of James, Peter, and Jude (New Testament Theology) Andrew Chester, Ralph P. Martin

The letters of James, 1 and 2 Peter, and Jude are among the most neglected parts of the New Testament, for they lack the immediacy and specificity of the Pauline letters. The authors of this study seek to remedy such neglect; they set the letters in context, examine their major themes, and argue that they are important both for the theology of the New Testament generally and for contemporary discussion about the nature and character of Christian faith today.
