## **We're All Mad Here** Tim Miller

We're All Mad Here is the first in Tim Miller's series using fairy tales, myths and legends to tell his own twisted stories. In each installment, he will visit a new world we've all grown up with through stories and films and he will rip that version to shreds turning each universe into a place of blood, sex, gore and mayhem. Forget anything and everything you thought you knew about fables and fairy tales. You have not heard them until you've begun We're All Mad here. In this installment, we start out with Alice who makes a fateful trip to Wonderland. However, nothing is as it should be. The Queen of Hearts wearing a dress made from human hearts is the least of her concerns. Nothing in Wonderland is safe or as it seems. Every few weeks will be a new installment picking up where the previous story left off. Come join us on this ride if you dare. Warning: NOT to be read as bedtime stories.
