Decon West arrives at Columbia University to start his freshman year. But New York City is like an alien planet to him and even though he's a fish out of water, he takes it in stride. He expected to be homesick. He expected to find the city chaotic. What he hadn't expected was that the girls would be so aggressive, throwing themselves at him. But, there's only one woman he's interested in tracking down and that's Minnie Tattersall.

Minnie dodged the bullet and resisted the temptation of eighteen-year-old Deke West when she was visiting Suttontowne. Now she's hard at work on the upcoming collection she and Verity Outlaw will be showing at Fashion Week. She also finds it hard work to get Deke off her mind, but easy to remember that he's much too young for her. It isn't until he shows up at the show, and accidentally lands on the runway modeling their clothes that things begin to heat up for them. It's clear to Minnie that Deke doesn't much care that he's taking the New York City fashion scene by storm. He's hell-bent on breaking down her barriers and having her. How will she resist?
