“What now?”

“Now you’re gonna show me,” said Kyle. “Finish taking everything off and get down here.”

Finally tired of the bullshit, Kyle Killock decides to stand up for himself and turn the tables on the jock that casually disses him in the hallway at school. In private, he reveals his crush and challenges Brady to act on it, which he does, to his surprise and delight...

Once in a relationship with the hottest guy at school, he pushes his luck and gets hooked up with his English teacher, who's always checking him out anyway. Not content with a one time thing, he's developed a taste for hot, risky, public sex that could get either one of them in serious trouble, and he drives the bargain hard...

When he gets caught in the act with Brady in his own bedroom by the man of the house, he's forced to accept physical punishment, but refuses to let it end there. To maintain a harmonious household, he excitedly offers sex to smooth over a rough relationship...
