Through the wisdom of American tribal cultures, meet Mother Earth and Father Heaven, Grandfather Sun and Grandmother Moon, and discover an insightful but too-little-known source of personal guidance and healing power. Find your Totem, or birth sign, named after one of twelve animal creatures whose spirits inhabit the earth. Then determine the Element that most influences your personality-Earth, Air, Fire, or Water-and how to live in harmony with its energies. Next, discover your Element-Clan, animal totems that are a part of your Elemental family, and the special powers they give you. Finally, explore the Four Winds, the seasons they influence, and the gifts they bestow. In simple, beautiful descriptions and images, you'll see how these energies affect your loves, vocation, and destiny.
