*Ocean Soul is a love story. It is a story of discovery. It is a story of hope.*

*The story begins when a boy who loves the sea attends an event with underwater photographers and has an epiphany: “I had always wanted to explore the oceans, but I now understood how I would do this. I would do it with a camera.” With sheer determination, hard work, and a little bit of luck the boy, named Brian Skerry, realized his dream with more than 20 awe-inspiring articles for National Geographic magazine. Now, with Ocean Soul, he showcases his stunning photography and describes his adventurous life in a gripping portrait of the ocean as a place of beauty and mystery, a place in trouble, and ultimately, a place of hope that will rebound with the proper attention and care.*
