Q and Harlem 4: Blindsided by A Love Affair Shaytrece

Q and Harlem have managed to weather any storm that came their way, from their extended family members to the move to Miami. Although things seem to be back on track for Q and Harlem, it doesn't change the fact that there is always drama for them or someone in their circle.

After helping Harlem's sister, Love, and her brother-in-law Conic settle their family drama, everyone tries to put their lives back in order. Just when it seemed as if the smoke had cleared for the family as a whole, Harlem is a no show to her own sister's birthday celebration, and seems to have fallen off the face of the earth. With Harlem being five months pregnant and the family not having a clue where to begin looking for her, Q's heart turns cold and he is out for blood until he brings his wife back home, dead or alive.
