Agnes Martin: Paintings, Writings, Remembrances by Arne Glimcher (20th Century Living Masters) Arne Glimcher

Agnes Martin's career spanned over seven decades. Though a major influence on Minimalist painters, Martin saw her own work, more closely related to Abstract Expressionism, her paintings being 'meditations on innocence, beauty, happiness and love.' More than 130 of these works can be found in this book. *Agnes Martin: Paintings, Writings, Remembrances* is the first and only complete career retrospective publication of the visionary painter. This important and beautiful book brings together 130 of Martin's paintings and drawings, with her previously unpublished writings and lecture notes, which vividly illuminate her art. Letters and facsimiles are reprinted in Martin's own hand, and cut to notebook size, adding an element of intimacy for the reader. With the Pace Gallery founder, Arne Glimcher's illuminating introduction, his personal remembrances of visits to Martin at her studio, and their correspondence throughout her career, reveal much about the artist's life and work.
