## **The Fractioned People (Winterhaven Book 3) J.D. McKenna**

It's been six months since the world was wrecked and shattered by the sudden, inescapable violence of The End. Three months after a violent excursion into the town of Bemidji, the warriors of Winterhaven have decided that the time to seek out other, farther-flung survivors, has arrived. With peace and mercy intended, brave Wolven are preparing to set out into the region, ready to provide assistance and begin the process of rebuilding.

In the Deep South, the forces of rebellion have begun to gather, and the Mad King Lucas will soon discover that the men and woman beneath his rule will not so easily succumb to his evil machinations. Our allies have begun to strike back, and a long awaited reunion may soon draw near.

This is the tale of a broken nation and the remnants of its populace, the Fractioned People.
