## **The Tudors: History of a Dynasty** David Loades

David Loades provides a masterful overview of this formative period of British history. Exploring the reign of each monarch within the framework of the dynasty, he unpacks the key questions surrounding the monarchy; the relationship between church and the state, development of government, war and foreign policy, the question of Ireland and the issue of succession in Tudor politics.

**Loades considers the recent scholarship on the dynasty as a whole, paying particular attention to Henry VIII, Elizabeth I and Mary Tudor. He also considers how recent revisionist history asks new questions of their political and personal lives. This places our understanding of the dynasty as a whole in a new light.**
