A Taste of Hot Apple Cider: Words to Encourage and Inspire (Powerful Stories of Faith, Hope, and Love Book 1)

Pull up a nice, warm, cozy chair and enjoy some Hot Apple Cider with us.

Move in closer. That's it. We'll all share our stories together, like a group of close friends. Stories of heartbreak and redemption—trouble and overcoming—questioning our faith and embracing it—and, most of all, finding hope at the end of every path.

There's just nothing like a circle of warm friends to share life with. All 15 of us will take turns opening up our hearts to you—sharing little pieces of ourselves. Come join us.

We'll even include discussion questions so you can reflect on our stories or explore the themes with a group.

Our bigger Hot Apple Cider anthologies, which have won a number of awards, have nearly 90,000 print copies in circulation. They're also now available as ebooks with accompanying Discussion Guides.

“Sometimes all you need is a reminder that there is something good in the world.” –MIDWEST BOOK REVIEW

In the foreword, British Columbia author and speaker **Grace Fox** says, “Through poems, fiction, and nonfiction alike, [the writers] remind readers that the struggles we face are common to everyone. Their honest descriptions of wrestling with cancer, caring for and losing aging parents, dealing with a spouse’s dementia, moving beyond one’s fear to tell neighbours about Jesus, and more, show us that hope is very much alive.”
