This ebook provides an abridged reproduction of the Defense Department document, Task Force Report on Care for Victims of Sexual Assault. This report contains the findings and recommendations of the Department of Defense Care for Victims of Sexual Assault Task Force. The findings are intended to provide a high level, comprehensive assessment of the strengths, weaknesses, and gaps in current DoD and Service policies regarding care of sexual assault victims. The goals of this Task Force were to be honest in our approach to our task and open minded about opportunities to make a difference. In the course of the review, we sought to understand culture, command structures, and resource limitations when evaluating appropriate courses of action needed to fill gaps in policies and procedures, particularly as they pertain to in - theater care. Sexual assaults are a challenge to our nation, and the military is not immune to this challenge. In the short timeframe available to plan and execute this review, and summarize our findings and recommendations, we tried to focus on the critical factors that need to be addressed in dealing with sexual assault in the military. Contents include: Task Force Charter, Review Methodology, Care for Victims of Sexual Assault, Reviewing Sexual Assault in the Military, The Military Environment, Military Justice System, Policies and Procedures, Prevention, Reporting, Response, System Accountability, Safety and Protection, Investigation and Prosecution, and more.
