The long-standing war between the sexes is the stuff of legend. In TV ads, sitcoms and chick flicks everywhere, we've all seen the images - the long suffering woman and the clueless, insensitive man. But what if it's all a misunderstanding?

In this fairy tale for the contemporary woman, Kimberlee seeks advice and discovers a treasure chest of esoteric knowledge hidden within her own family. As she unravels the mysteries of men's behavior in this romantic journey, so will you. As she learns the Language of Heroes, and transforms how she relates to men, so will you.

Whether you're in love with men or frustrated by them - or both - The Queen's Code creates a new ethic and approach for interacting with men in a way that honors both sexes. From eight distinct points-of-view, you'll get an intimate look inside the hearts and minds of both men and women as we struggle to understand ourselves and each other.

While the plot is not predictable, the outcome is: When you live by The Queen's Code, getting what you need from men will become easier as your relationships become more fun and passionate.
