Charlaine Harris

Overview After enduring torture and the loss of loved ones during the brief but deadly Fae War, Sookie Stackhouse is hurt and she's mad. Just about the only bright spot in her life is the love she thinks she feels for vampire Eric Northman. But he's under scrutiny by the new vampire king. And as the political implications of the shifters' coming-out are beginning to be felt, Sookie's connection to one particular Were draws her into the dangerous debate. Also, though the doors to Faery have been closed, there are still some fae on the human side-and one of them is angry at Sookie...very, very angry...
