Cleopatra's Tears Harry Stephen Keeler

There are subplots aplenty in this second installment of the saga of Bleeker's Island where several men find themselves stranded by a flooding river. The jewels known as Cleopatra's Tears are missing and one of the men is believed to be Actor Hart, notorious killer and thief-maybe even the one who stole the jewels. Can the hick sheriff figure out which one is Hart, and make sure he's the one who's left without a life jacket when the dam upriver gives way? Time is running out fast and only Harry Stephen Keeler knows how his three-volume mega-novel is going to resolve itself.
