Issue # 1:

Golden Age Comics return... the modern way!!!
FULL COLOR PAGES!

As a child, Bart Hill was witness to his parents' brutal murder. The murderer also branded Bart with a hot iron, leaving a boomerang shaped scar of his left chest. This traumatic experience left the boy mute. His origin was eventually retconned and in the comics Hill's parents killed while in Australia. Subsequently, he raised by a tribe of Aborigines, learning how to wield the boomerang. He later returns to the United States and he dons his costume and using his expert marksman skills, he becomes a street vigilante known as the Daredevil.

Daredevil was created by Jack Binder and Don Rico. It should be noted that the name of Daredevil being used by Marvel Comics and the copyright and trademark of the name is questionable. However, while the character of Bart Hill is original, the name of Daredevil has not been used on the covers of comics due to the possible conflict of interest or trademark infringement.

The original Golden Age Daredevil debuted in Silver Streak Comics. Daredevil fought an epic war against The Claw in the 1940s in his own long running title. Prior to the U.S. being involved in World War II, The Claw once allied himself with Adolf Hitler. This prompted Daredevil to team up with the Silver Streak and other heroes to fight against the combined forces of the Nazis and The Claw. Later on, Daredevil found himself a group of sidekicks called the Little Wise Guys.

Now you can enjoy his adventures in the new KINDLE COMIC FORMAT!

And with the ZOOM mode for the dialogues: just double-TAP on the balloons, and your Kindle (or any Tablet) will open a magnification window in order to make your reading experience more enjoyable and relaxing.
