Enoch's Device Joseph Finley

Nearly a thousand years after the birth of Christ, when all Europe fears that the world will soon end, an Irish monk, Brother Ciarán, discovers an ominous warning hidden in the illuminations of a religious tome. The cryptic prophecy speaks of Enoch's device, an angelic weapon with the power to prevent the coming apocalypse.

Pursued by Frankish soldiers and supernatural forces, Ciarán and his freethinking mentor, Brother Dónall, journey to the heart of France in search of the device. There, they rescue the Lady Alais from a heretic-hunting bishop who insists mankind must suffer for its sins. Together the trio races across Europe to locate the device, which has left clues of its passage through history. But time is running out, and if they don't find it soon, all that they love could perish at the End of Days.

Enoch's Device is a fast-paced medieval adventure steeped in history, mythology, and mysteries from a dark and magical past.
