Samantha escapes to a virtual reality invented by her husband's company, Holotech, where she feels more sexy and desirable than she has in years. She becomes ever involved, unaware she's become the pawn of a clever psychopath with deadly intentions. Swept up in a vortex of circumstances, Samantha goes beyond the edge of reason to a place where she attempts the unimaginable . . . A fast moving story woven with intrigue and skullduggery, love and second chances that races to the climax and a final clash between good and evil.
