From a Sandwich Massage in Thailand, to the No-Undie massages of Vietnam and Thailand, the sex-hungry masseuses of Indonesia, and Tantric and Nude massages in New York City, this book will give you hours of reading pleasure and information. When you consider that a single massage in New York City costs around seventy dollars, this book is a bargain, giving you the distilled experience of four thousand massages in twenty countries.

Besides the entire text of his two major books, "The Uncensored Massage: Thailand, Indonesia, Vietnam, and China," and "The Uncensored Massage: From Massage to Sex America and Elsewhere," this book contains two additional chapters: "Al Gore and the Dilemma of the Ideal Western Male" and "A Wish List for Better Massages." In parts, this book can be reread for the sheer pleasure of its humor and language (occasionally racy), for advice on where and how to get the best massages (and what to expect, and how to deal with certain situations) and is an ideal gift for an open-minded friend.
