**Webster's Manners (Webster Technology Book 4)**

**Who uses mobile devices the most in your family - you or your kids?**

**Many young children now own a digital device, but a third of children believe its actually their parents who spend too long on gadgets.**

This latest release in the **award winning picture book series** for beginner readers helps parents to teach children about the right and wrong ways to use technology.

Webster learns about a new set of digital manners, helping him to be polite with technology and take care of his favourite gadgets and toys. However, the cheeky spider soon turns the tables on his daddy and makes him agree to the same rules!

This fully illustrated picture book can be used to prompt:

- Conversations about taking care of electronic toys and gadgets with young children
- Child safety when using technology and mobile devices
- Screen time planning for both parents and children
- Healthy attitudes towards screen based entertainment

**Do you worry about the time that your kids spend on electronic devices?**

**Should you be limiting screen time? Is it worth the fight?**

Early readers use picture books to learn more about what is expected of them, and to develop their social skills by modelling what they see in stories.

Parents and teachers use books like *Webster's Manners* to teach about when it is appropriate to use gadgets and when it is better to engage with people.

Told in a rhyming pattern, Webster's Manners humorously helps children learn about responsible use of technology, while reminding grown ups that they can lead by example.

**Other parents have found this book useful...**

"So difficult to find story books which sensitively introduce our little ones to what have become every-day devices. This latest one does not disappoint." - *Amazon.com Reviewer*

"Great book - we all loved it! It is a very accessible way of teaching kids about technology - thanks!" - *Amazon.com Reviewer*

"A powerful message packaged in a beautiful story with lovely illustrations. Thoroughly recommend not only this book but all others in the series." - *Amazon.com Reviewer*

"A wonderful learning message for the little ones in your life." - *Amazon.com Reviewer*
