Revenance (The Dead Hand Series Book 1) John Judge

A man awakes on a stormy beach in the dead of night.

Washed ashore with no memory of his past life or any idea of the horrors that await him in this strange new land, he must fight to survive at every turn: against a hostile environment; against an indigenous population infected with a virulent plague; against other outsiders trying to outrun the Apocalypse.

Revenance began life as a series of fan fiction blog posts inspired by DayZ, a videogame in development by Bohemia Interactive.

Watch out for Book 2 in the Dead Hand Series, coming Spring 2015.
