What we will be talking about in these writings in the Book of Daniel in the Old testament and the book of Revelation in the New Testament. We will focus on these two books because Daniel and John are both Apocalyptic Prophets. Apocalyptic means a great catastrophic end. All Bible scholars agree that these two books contain eschatological prophecies, meaning end time prophecies. There is another reason why we want to put these two prophetic writings together, just read Daniel 7 and then read Revelation 13 and you will see that they are almost identical, it's a carbon copy, you, even see the same images.

You are soon to read about the "events that will signal, or should I say, "will mark the beginning of the "Time of the End" spoken by Daniel the Prophet. This is where it all begins, in 3 places, in 3 epistles , JESUS refers only to one Prophet out of the entire Bible, yes you guessed it right, "Daniel" ! Matthew 24:15, Luke 21:20, Mark 13:14, When ye therefore shall see the Abomination of Desolation, spoken by Daniel the Prophet, whoso readeth let him understand. So should we pay close attention to the book of Daniel ? Absolutely, very close attention, because soon time will open to our senses the urgency of the matter that lies directly in our path, but only if we are looking. What is approaching our shores is unlike anything that mortals eyes have ever beheld in the history of this world. When a person studies prophecy, especially when the events written about for thousands of years are taking place almost everyday right in front of your eyes, the book starts to read like the daily newspaper.

Daniel has 4 visions, all about one period in time, "The Time of The End" in which the Angel Gabriel is commissioned by God, to make the man to understand the Vision, after viewing the 2nd vision, And I Daniel fainted, and was sick certain days; afterward I rose up, and did the Kings business; and I was astonished at the Vision, but none understood it ! Daniel 8:27

These prophecies were not given to those at that time but to those whom the end of the world have come. For prophecy came not in old time by the will of man; but holy men of God spoke as they were moved by the Holy Ghost. 1 Peter 1:21.

So if we now can begin to understand these four visions of Daniel, It means one very important fact that cannot be argued, we have reached that one important pinnacle of time, "The Time of the End!" For the last 2500 years, people from all walks of life, from the professors of theology to the farmer in the field. More books have been written dealing with end time prophecy and the second coming of Jesus Christ for the last 2,000 years than any other important subject on this planet. But what happens when all the events in "Biblical History" begin unfolding before the entire world?

More false information has been given in regards to the most important event to face the Christian Church for at least two thousand years, and all for the sake of the all mighty dollar, "gold, and silver," money changers, those that sell their faith, despite its validity, where their is no difference than when Christ stopped the Jews that had setup the Temple Grounds as a market place of corruption !

All of those Holy men of God ministered unto us. They were trying to relate to us what they were shown by God, why, so we would wake up and alert those around us and then they would pick up the torch, and that is

exactly how it has continued right from the first advent, over 2000 years ago. But what happens when the last generation appears and so do all the climactic events spoken by all those holy men of God.

Daniel shut up the words, and seal the BOOK, even to the Time of the End; many shall run to and fro, and knowledge shall be increased.

Well folks, this is exactly what you will see, we have arrived at that point in time that the Angel Gabriel was trying to tell Daniel the Prophet in Daniel 12:4.
