Make the right instructional and eligibility decisions to help your English Learners!

Do your student's reading difficulties reflect language acquisition issues or a learning disability? Now in an updated second edition, this essential guide helps educators to make informed choices about strategies and services to support English Learners, and includes:

- Nine common misconceptions that can lead to wrongful placement of students in Special Education
- A new chapter on evidence-based practices for success in teaching reading to students learning English
- Appropriate techniques to use when assessing students for special education
- Expanded coverage of Response to Intervention to include a multi-tiered system of supports (MTSS)
