Wilkie Collins: Interdisciplinary Essays Andrew Mangham

This eclectic collection brings together a range of critical voices, from varying disciplinary backgrounds, to comment on the life and works of Wilkie Collins. A close friend of Dickens, Collins engaged with some of the nineteenth century's most influential ideas and cultural developments. As this collection makes clear, he formed interesting connections with key figures in literature, art, theatre, medicine, and the law. As a result, his works often engaged with the period's most influential ideas and cultural developments. Best remembered for spearheading the Sensation genre with 'The Woman in White' and detective fiction with 'The Moonstone', Collins' career actually encompassed a large amount of material that has remained relatively neglected until recently. 'Wilkie Collins: Interdisciplinary Essays' offers readings of previously unstudied sources while offering new perspectives on the author's most canonical works. This second edition includes a new foreword and preface.
