Biblical Preaching Manual: A Student Manual and Teaching Resource for the book Biblical Preaching

Robert Permenter

This book is the result of my doctoral work on homiletics where I wrote a student manual and teaching material for Dr. Haddon Robinson's classic book, *Biblical Preaching*. As a student manual, it was taught to hundreds of students over a 7 year period at two major seminaries. After that, the material was revised and Dr. Robinson and I tested the material with additional students, resulting in over 9 years of seminary field testing.

If you have the 3rd edition of *Biblical Preaching*, you already have almost 40 pages of this book. However, this book is unique in the teaching material it offers. It is material I taught in seminar for almost 10 years to date. Many students noted this teaching material proved as helpful as the exercises in the *Student Manual*, some of which are in *Biblical Preaching*. This teaching material helps discover the process behind the concepts of *Biblical Preaching*. Currently the book is also being tested and taught in other cultures.
