Jayleen was a cook at a famous five-star restaurant. Everything was fine, at least that's what she thought. But her boss was always teasing her, and she wondered why the teasing made her heart flutter. However, she was afraid of giving into her desires for him. However, one night she does, and everything changes.

Darius was the owner of a restaurant. He was a handsome billionaire with a life that he hated. He had a wife that only wanted him for his money, and she was happy with their marriage as well. He wanted out, but because of the constraints it was impossible. However he sees a lot in Jackie and soon the sparks start to fly. They have a passionate night together, but things change for them, and they're in for a big surprise.

The surprise comes soon, a baby that they don't know how to take care of. Both of their reputations and the reputation of the establishment are at stake. When a rival cook wants to use this to their advantage, they need to make a choice. Do they get rid of the baby, or raise it in secret?
