**Mated by Midnight** Kate Rudolph

It's dangerous to be out on the night of the full moon.

Dani Parker didn't mean to. But now eager young werewolf males chase her through the streets and only the last minute help of a friend saves her from a terrible fate.

But friendship proves false and Dani finds herself locked in the basement with Hugo Rhys, the terrifyingly sexy werewolf she's had her eye on for months. The moon is calling on them to mate, and Dani doesn't want to resist the command.

Is this just one night? Or does Hugo mean it when he calls her his mate?

This is an erotic romance short.
